POLICY AND PROCEDURES

Policy No.: 08-06

Effective Date: 07/04

Revision Date: 02-12-14

Subject: Conditions of Parole

I. Policy Statement

The Youth Parole Authority (YPA) shall provide written conditions to each parolee that describe the requirements and expectations of parole. Parolee(s) will receive, review, and sign a written copy of the parole agreement prior to release from a secure facility.

II. Rationale

To ensure that juvenile parolee's understand the terms and conditions of their release from secure care and continued placement in the community.

III. Procedures

- A. Prior to release, the order of parole and parole agreement shall be reviewed with the prospective parolee by the Director of the secure care facility, unit supervisor, and case manager. The conditions of parole are explained in detail, and the parolee acknowledges understanding of the conditions of parole by signing the agreement.
- B. All additional parties identified on the parole agreement must sign and agree to the conditions imposed prior to the agreement going into affect.
- C. As needed, the case manager and his or her supervisor may submit a memorandum report to the YPA requesting amendments in the parole conditions. After review, the YPA may approve amendments without convening a hearing, but the new agreement must be resigned by all parties. A "Special Attention" Hearing may be requested if the parolee, case manager, or the YPA have concerns about the changes.
- D. When a case manager becomes aware of a significant parole violation, he/she shall review the violation with their immediate supervisor and forward an email memorandum or incident report to the YPA administrative officer within seventy-two (72) hours or as soon as possible. Violations will be reported when they are of a nature that would result in charges and/or changes in the conditions of parole set by the YPA. Refer to JJS Incident Report policy 05-15.
- E. The following information shall be included in the report to the YPA:
 - 1. specific nature of the alleged violation (s) and/or changes in the specific parole conditions;
